BREAK OUT THE OARS

Curt Peacock

-

Break out the oars, course set for Manito-wish,
Swing on the oars, got to get to Manito-wish,
Had a good trip, now let a rip for home.

Let's trim the ship, we'll get 'er on the way,
Can't say goodbye, we'll come again some day
Swing it out smooth, we're in the groove for home.

Let's sing as we paddle, wing as we paddle,
heading for the place we love
Give out while you're rowing, shout while you're rowing
Singing to the skies above

Now comes the time, time for our song to cease,
Camp's just ahead, ove the lake due easy
We're nearly there, never a care back home!

THE RIVER MALIGN

Mary Satterfield Swanson

-

O, the River Malign, the River Malign,
Calls me Canada way
Her gentle breezes and her wandering feelings are mine,
and I know that I'll be coming back someday.

Oh, the Rapids rushing, trees a-rustling frogs a-leaping, twilight creeping,
moose calls from the far shore.
The fish are leaping high and the gulls go soaring by, and her water's rushing
on forever more.

The River Malign, the River Malign,
Calls me Canada way,
Her gentle breezes and her wandering feelings are mine,
and I know that I'll be coming back someday.

Well, I wish that I could tarry here, beside your waters cool and clear,
where my worries are few.
But I'll move on with a sigh, for I know this is goodbye until summer comes
and winter days are through.

The River Malign, the River Malign,
Calls me Canada way,
Her gentle breezes and her wandering feelings are mine,
and I know that I'll be coming back someday.

EASY CHAIR (YOU AIN'T GOIN' NOWHERE)

Bob Dylan

-

Chorus:

Whoo-ee, ride me high,
Tomorrow's the day my bride's gonna come
Oh, oh, are we gonna fly,
down in my easy chair

Clouds so swift, rain won't lift,
Gate won't close, railings froze,
Get your mind off wintertime
You ain't goin' nowhere

CHORUS

I don't care how many letters they sent
Morning came and morning went
Pick up your money and pack up your tent,
You ain't goin' nowhere

CHORUS

Buy me a flute and a gun that shoots
Tailgates and substitutes
Strap yourself to the tree with roots
You ain't goin' nowhere

CHORUS

Genghis Khan he could not keep
All his kings supplied with sleep
We'll climb that hill, no matter how steep
You ain't goin' nowhere

CHORUS

BIG YELLOW TAXI

Joni Mitchell

-

Chorus:

Don't it always seem to go,
That you don't know what you've got til its gone
They paved paradise and put up a parking lot.

They paved paradise, and put up a parking lot
With a pink hotel, a boutique and a swinging hot spot

CHORUS

They took all the trees and put 'em in a tree museum
And they charged the people a dollar and a half to seem 'em
No no no

CHORUS

Hey farmer farmer put away the DDT
I don't care about spots on my apples
Leave me the birds and the bees, Please!

CHORUS

Listenin' late last night, I heard the screen door slam
And a big yellow taxi took away my old man.

CHORUS

THE CIRCLE GAME

Joni Michell

-

Chorus:

And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look, behind from where we came,
And go round and round and round in the circle game.

Yesterday a child came out to wonder,
Caught a dragonfly inside a jar,
Fearful when the sky was full of thunder,
And tearful at the falling of a star,

CHORUS

Then the child moved ten times round the seasons,
Skated over ten clear frozen streams.
Words like, when you're older, must appease him
And promises of someday make his dreams

CHORUS

Sixteen springs and sixteen summers gone now.
Cartwheels turn to car wheels through the town.
And they tell him, take your time, it won't be long now,
Till you drag your feet to slow the circles down.

CHORUS

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through

CHORUS

WE'RE GOING TO BE FRIENDS

The White Stripes

-

Fall is here, hear the yell
Back to school, ring the bell
Brand new shoes, walking blues
Climb the fence, books and pens
I can tell that we are going to be friends

Walk with me, Suzy Lee
Through the park and by the tree
We will rest upon the ground
And look at all the bugs we found
Then safely walk to school, without a sound

Well here we are, no one else
We walked to school all by ourselves
There's dirt on our uniforms
From chasing all the ants and worms
We clean up and now its time to learn

Numbers, letters, learn to spell
Nouns, and books, and show and tell
At playtime we will throw the ball
Back to class, through the hall
Teacher marks our height against the wall

And we don't notice any time pass
We don't notice anything
We sit side by side in every class
Teacher thinks that I sound funny
But she likes the way you sing

Tonight I'll dream while I'm in bed
When silly thoughts go through my head
About the bugs and alphabet
And when I wake tomorrow I'll bet
That you and I will walk together again
Cause I can tell that we're going to be friends

WAGON WHEEL

Bob Dylan

-

Chorus:

So rock me mama like a wagon wheel
Rock me mama anyway you feel, hey mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south-bound train, hey mama rock me

Headed down south to the land of the pines
I'm thumbn' my way into North Caroline
Starin' up the road, pray to God I see headlights

CHORUS

I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh, I can see my baby tonight

CHORUS

Runnin' from the cold up in New England
I was born to be a fiddler in an old-time string band
My baby plays the guitar, I pick a banjo now

CHORUS

Oh, the North country winters keep a gettin' me now
Lost my money playin' poker so I had to up and leave
But I ain't a turnin' back, to livin' that old life no more

CHORUS

Walkin' to the south out of Roanoke,
I caught a trucker out of Philly, had a nice long talk
But he's a headed west from the Cumberland Gap,
To Johnson City, Tennessee
And I gotta get a move on before the sun,
I hear my baby callin' my name, and I know that she's the only one
And if I die in Raleigh, At least I will die free

CHORUS

BUILD ME UP BUTTERCUP

The Foundations

-

Chorus:

Why do you build me up (build me up) buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) buttercup, don't break my heart

"I'll be over at ten", you told me time and again, But you're late,
I wait around and then
I went to the door, I can't take any more,
It's not you, you let me down again

Baby, baby, try to find, a little time and I'll make you mine
I'll be home, I'll be beside the phone waiting for you

CHORUS

You were my toy but I could be the boy you adore
If you'd just let me know,
Although you're untrue, I'm attracted to you all the more
Why do I need you so

Baby, baby, try to find, a little time and I'll make you mine
I'll be home, I'll be beside the phone waiting for you

CHORUS

HALO

Beyonce

-

Chorus:

It's like I've been awakened, Every rule I had you break it
It's the risk that I'm taking, I ain't never gonna shut you out
Everywhere I'm looking now, I'm surrounded by your embrace
Baby, I can see your halo, You know you're my saving grace
You're everything I need and more, It's written all over your face
Baby, I can feel your halo, Pray it won't fade away
I can feel your halo, x 4

Remember those walls I built, Well baby, they're tumbling down
And they didn't even put up a fight, They didn't even make a sound
I found a way to let you win, But I never really had a doubt
Standing in the light of your halo, I got my angel now

CHORUS

Hit me like a ray of sun, Burning through my darkest night
You're the only one that I want, Think I'm addicted to your light
I swore I'd never fall again, But this don't even feel like falling
Gravity can't forget, To pull me back to the ground again.

CHORUS

JUST THE WAY YOU ARE

Bruno Mars

-

Chorus:

When I see your face, There's not a thing that I would change
'Cause you're amazing, Just the way you are
And when you smile, The whole world stops and stares for a while
'Cause girl, you're amazing, Just the way you are

Oh, her eyes, her eyes make the stars look like they're not shining
Her hair, her hair falls perfectly without her trying
She's so beautiful, And I tell her everyday.

Yeah, I know, I know when I compliment her, she won't believe me
And it's so, it's so sad to think that she doesn't see what I see
But every time she ask me do I look okay? I say . . .

CHORUS

Her lips, her lips, I could kiss them all day if she'd let me
Her laugh her laugh, she hates but I think it's so pretty
She's so beautiful, And I tell her everyday

Oh, you know, you know, you know I'd never ask you to change
If perfect's what you're searching for, then just stay the same
So don't even bother asking if you look okay, You know I'll say . . .

CHORUS

A THOUSAND MILES

Vanessa Carlton

-

Chorus:

And I need you, And I miss you, And now I wonder
If I could fall, Into the sky
Do you think time, Would pass me by
'Cause you know I'd walk a thousand miles
If I could just see you, tonight

Making my way down town, Walking fast
Faces pass, And I'm home bound
Staring blankly ahead, Just making my way
Making a way, Through the crowd

CHORUS

It's always times like these, When I think of you
And I wonder If you ever think of me
'Cause everything's so wrong, And I don't belong
Living in your precious memory

CHORUS

And I, I don't want to let you know I,
I drown in your memory I,
I don't want to let this go
I, I don't.

Making my way down town walking fast
Faces pass, And I'm home bound
Staring blankly ahead, Making my way
Making a way, Through the crowd

CHORUS

YOU BELONG WITH ME

Taylor Swift

-

Chorus:

If you can see I'm the one who understands you
Been here all along so why can't you see
You belong with me, You belong with me

You're on the phone with your girlfriend
She's upset, She's going off about something that you said
'Cause she doesn't get your humor like I do

I'm in my room, It's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do'

But she wears short skirts, I wear T-shirts
She's cheer captain, And I'm on the bleachers
Dreaming about the day when you wake up
And find that what you're looking for has been here the whole time

CHORUS

Walkin' the streets with you and your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself, Hey isn't this easy

And you've got a smile that could light up this whole town
I haven't seen it in a while since she brought you down
You say your fine, I know you better then that
Hey what you doing with a girl like that

She wears high heels, I wear sneakers
She's cheer captain and I'm on the bleachers
Dreaming about the day when you wake up
And find that what what you're looking for has been here the whole time

CHORUS

Standing by and waiting at your back door
All this time how could you not know
Baby, you belong with me, You belong with me

Oh, I remember you drivin' to my house in the middle of the night
I'm the one who makes you laugh
When you know you're about to cry
And I know your favorite songs
And you tell me about your dreams
I think I know where you belong
I think I know it's with me

Can't you see that I'm the one who understands you
Been here all along so why can't you see
You belong with me

Standing by and waiting at your back door
All this time, How could you not know
Baby you belong with me, You belong with me

LOVE STORY

Taylor Swift

-

We were both young when I first saw you
I close my eyes and the flashback starts
I'm standing there on a balcony in summer air
See the lights, see the party, the ball gowns
See you make your way through the crowd,
And say hello, Little did I know

That you were Romeo, you were throwing pebbles
And my daddy said, "Stay away from Juliet"
And I was crying on the staircase, Begging you, please, don't go

And I said, "Romeo, take me somewhere we can be alone
I'll be waiting, all that's left to do is run
You'll be the prince and I'll be the princess
It's a love story, baby just say yes

So I sneak out to the garden to see you
We keep quiet 'cause we're dead if they knew
So close your eyes, escape this town for a little while

'Cause you were Romeo, I was a scarlet letter
And my daddy said "Stay away from Juliet"
But you were everything to me, I was begging you, please, don't go

And I said Romeo take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say yes

Romeo save me, they're trying to tell me how to feel
This love is difficult, but it's real
Don't be afraid, we'll make it out of this mess
It's a love story, baby just say "Yes"

I got tired of waiting
Wondering if you were ever coming around
My faith in you was fading
When I met you on the outskirts of town, And I said

“Romeo save me, I’ve been feeling so alone
I keep waiting for you but you never come
Is this in my head? I don’t know what to think”
He knelt to the ground and pulled out a ring and said
“Marry me, Juliet, you’ll never have to be alone
I love you and that’s all I really know
I talked to your dad, go pick out a white dress
It’s a love story, baby just say yes”

BREAKING FREE

High School Musical

-
We're soaring, flying, There's not a star in heaven that we can't reach
If we're trying, So we're breaking free.

We know the world can see us
In a way that's different than who we are.
Creating space between us, Till we're separate hearts.
But in faith it gives me strength, Strength to believe..

We're breaking free!
We're soaring, flying There's not a star in heaven that we can't reach
If we're trying, Yeah we're breaking free
Oh we're breaking free, ooooh

Can you feel it building?
Like a wave the ocean just can't control
Collected by a feeling Ooh in our very soul. (very soul)
Rising till it lifts us up, So everyone can see.

We're breaking free! We're soaring, flying
There's not a star in heaven that we can't reach
If we're trying, Yeah we're breaking free
Oh we're breaking free, ooh.

Running, climbing, to get to the place to be all that we can be.
Now's the time, So we're breaking free.
We're breaking free, ooh yeah
More than hope, more than faith,
This is true, this is fate, And together we see it coming.
More than you, more than me, Not a one boy in need
Up above, breaking free!

Soaring, flying, There's not a star in heaven that we can't reach.
If we're trying, Yeah we're breaking free (breaking free)
We're running, ooh climbing to get to that place to be all that we can be.
Now's the time (now's the time)
So we're breaking free. Ohhh we're breaking free
We know the world can see us
In a way that's different than who we are.

PARTY IN THE U.S.A.

Miley Cyrus

-

Chorus:

So I put my hands up, They're playing my song, the butterflies fly away
I'm noddin' my head like, 'yeah', I'm movin' my hips like, 'yeah'
I got my hands up, they're playing my song, I know I'm gonna be okay
Yeah, it's a party in the U.S.A

I hopped off the plane at L.A.X, With a dream and my cardigan
Welcome to the land of fame excess, Am I gonna fit in?
Jumped in the cab, here I am for the first time
Look to my right, and I see the Hollywood sign
This is all so crazy, Everybody seems so famous

My tummy's turnin' and I'm feelin' kinda home sick
Too much pressure and I'm nervous
That's when the taxi man turned on the radio
And a Jay-Z song was on

CHORUS

Get to the club in my taxi cab, Everybody's looking at me now
Like, "Who's that chick, that's rockin' kicks? She gotta be from out of town"
So hard with my girls not around me, It's definitely not a Nashville party
Cause all I see are stilettos, I guess I never got the memo

My tummy's turnin' and I'm feelin' kinda home sick
Too much pressure and I'm nervous
That's when the DJ dropped my favorite tune
And a Britney song was on

CHORUS

Feel like hopping on a flight
Back to my hometown tonight
Something stops me every time
The DJ plays my song and I feel alright

CHORUS

CALL ME MAYBE

Carly Rae Jepsen

I threw a wish in the well, Don't ask me I'll never tell
I looked at you as it fell, And now you're in my way
I trade my soul for a wish, Pennies and dimes for a kiss
I wasn't looking for this, But now you're in my way

Your stare was holding, Ripped jeans, Skin was showing
Hot night, Wind was blowing, Where you think you're going baby?

Hey I just met you, And this is crazy
But here's my number, So call me maybe
It's hard to look right at you baby, But here's my number
So call me maybe

Hey I just met you, And this is crazy
But here's my number, So call me maybe
And all the other boys, Try to chase me
But here's my number, So call me maybe

You took your time with the call, I took no time with the fall
You gave me nothing at all, But still you're in my way

I beg and borrow and steal, At first sight and it's real
I didn't know I would feel it, But it's in my way

Your stare was holding, Ripped jeans, Skin was showing
Hot night, Wind was blowing, Where you think you're going baby?

Before you came into my life, I missed you so bad
I missed you so bad, I missed you so so bad
Before you came into my life, I missed you so bad
And you should know that, I missed you so so bad, bad, bad, bad....

It's hard to look right at you baby
But here's my number, So call me maybe

Hey I just met you, And this is crazy
But here's my number, So call me maybe
It's hard to look right at you baby, But here's my number
So call me maybe

HEY SOUL SISTER

Train

-

Your lipstick stains

On the front lobe of my left-side brains

I knew I wouldn't forget you, And so I went and let you

Blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided, You're the one I have decided

Who's one of my kind

Hey soul sister, Ain't that mister mister

On the radio, stereo, The way you move ain't fair, you know

Hey soul sister, I don't wanna miss a single thing you do

Tonight, Hey, Hey, Hey,

Just in time, I'm so glad you have a one track mind like me

You gave my life direction, A game show love connection

We can't deny

I'm so obsessed

My heart is bound to beat right out my untrimmed chest

I believe in you, like a virgin, you're Madonna

And I'm always gonna wanna blow your mind

Hey soul sister Ain't that mister mister

On the radio, stereo, the way you move ain't fair, you know

Hey soul sister, I don't wanna miss a single thing you do

Tonight, Hey, Hey, Hey

The way you can cut a rug, Watching you is the only drug I need

So gangster, I'm so thug, You're the only one I'm dreaming of

You see, I can be myself now finally, In fact there's nothing I can't be

I want the world to see you'll be with me

Hey soul sister Ain't that mister mister

On the radio, stereo, the way you move ain't fair, you know

Hey soul sister, I don't wanna miss a single thing you do

Tonight, Hey, Hey, Hey

HOW FAR I'LL GO

Moana

-

I've been staring at the edge of the water
'Long as I can remember, never really knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know, where I can not go, where I long to be

See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, if I go there's just no telling how far I'll go

I know everybody on this island, seems so happy on this island
Everything is by design
I know everybody on this island has a role on this island
So maybe I can roll with mine

I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

See the light as it shines on the sea? It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know, what's beyond that line, will I cross that line?

The line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go.

LET IT GO

Frozen

-

The snow glows white on the mountain tonight, Not a footprint to be seen.
A kingdom of isolation, and it looks like I'm the Queen
The wind is howling like this swirling storm inside
Couldn't keep it in; Heaven knows I've tried

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well now they know, Let it go, let it go
Can't hold it back anymore

Let it go, let it go, Turn away and slam the door
I don't care what they're going to say
Let the storm rage on, the cold never bothered me anyway

It's funny how some distance, Makes everything seem small
And the fears that once controlled me, Can't get to me at all
It's time to see what I can do, To test the limits and break through
No right, no wrong, no rules for me, I'm free!

Let it go, let it go, I am one with the wind and sky
Let it go, let it go, You'll never see me cry
Here I stand, And here I'll stay
Let the storm rage on

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go, that perfect girl is gone
Here I stand, In the light of day
Let the storm rage on, the cold never bothered me anyway!

A WHOLE NEW WORLD

Aladdin

-

I can show you the world, Shining, shimmering splendid
Tell me, princess, now when did, You last let your heart decide!
I can open your eyes, Take you wonder by wonder
Over sideways and under, On a magic carpet ride

A whole new world, A new fantastic point of view
No one to tell us no, or where to go
Or say we're only dreaming,

A whole new world, A dazzling place I never knew
But when I'm way up here, it's crystal clear
That now I'm in a whole new world with you

Now I'm in a whole new world with you
Unbelievable sights, Indescribable feeling
Soaring, tumbling, freewheeling through an endless diamond sky

A whole new world (Don't you dare close your eyes)
A hundred thousand things to see (Hold your breath it gets better)
I'm like a shooting star, I've come so far
I can't go back to where I used to be

A whole new world (Every turn a surprise)
With new horizons to pursue (Every moment, red-letter)
I'll chase them anywhere, There's time to spare
Let me share this whole new world with you

A whole new world (A whole new world)
That's where we'll be (That's where we'll be)
A thrilling chase (A wondrous place)
For you and me

COLORS OF THE WIND

Pocahontas

-

You think I'm an ignorant savage
And you've been so many places, I guess it must be so
But still I cannot see, if the savage one is me
How can there be so much that you don't know, You don't know

You think you own whatever land you land on
The Earth is just a dead thing you can claim,
But I know every rock and tree and creature
Has a life, has a spirit, has a name.

You think the only people who are people
Are the people who look and think like you
But if you walk the footsteps of a stranger
You'll learn things you never knew, you never knew

Have you ever heard the wolf cry to the blue corn moon?
Or asked the grinning bobcat why he grinned?
Can you sing with all the voices of the mountains?
Can you paint with all the colors of the wind?
Can you paint with all the colors of the wind?

Come run the hidden pine trails of the forest
Come taste the sun sweet berries of the Earth
Come roll in all the riches all around you
And for once, never wonder what they're worth

The rainstorm and the river are my brothers
The heron and the otter are my friends
And we are all connected to each other
In a circle, in a hoop that never ends

How high will the sycamore grow? If you cut it down, then you'll never know
And you'll never hear the wolf cry to the blue corn moon
For whether we are white or copper skinned
We need to sing with all the voices of the mountains
We need to paint with all the colors of the wind

You can own the Earth and still, All you'll own is Earth until
You can paint with all the colors of the wind.

PART OF YOUR WORLD

The Little Mermaid

-

Look at this stuff, Isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl, The girl who has everything?

Look at this trove, Treasures untold
How many wonders can one cavern hold?
Looking around here you think
Sure, she's got everything

I've got gadgets and gizmos a-plenty
I've got whozits and whatzits galore
You want thing-a-mobs? I've got twenty!
But who cares? No big deal, I want more.

I wanna be where the people are
I wanna see, wanna see them dancing'
Walking around on those - what do you call 'em? Oh - feet!

Flippin' your fins, you don't get too far
Legs are required for jumping, dancing
Strolling along down a - what's that word again? - Street

Up where they walk, up where they run
Up where they stay all day in the sun
Wanderin' free - wish I could be
Part of that world

What would I give if I could live out of these waters?
What would I pay to spend a day warm on the sand?
Bet'cha on land they understand, Bet they don't reprimand their daughters
Bright young women sick of swimming, Ready to stand

And ready to know what the people know
Ask 'em my questions and get some answers
What's a fire and why does it - what's the word? - Burn.
When's it my turn? Wouldn't I love, love to explore that shore up above?
Out of the sea
Wish I could be
Part of that world....

DO YOU WANT TO BUILD A SNOWMAN?

Frozen

-

Elsa

Do you want to build a snowman?
Come on lets go and play
I never see you anymore
Come out the door
It's like you've gone away...
We used to be best buddies
And now we're not
I wish you would tell me why!
Do you want to build a snowman?
It doesn't have to be a snowman

Go away

Okay, bye...

Do you want to build a snowman?
Or ride our bikes around the halls
I think some company is overdue
I've started talking to
the pictures on the walls
(Hang in there, Joan!)
It gets a little lonely
All these empty rooms

Just watching the hours tick by
(Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock)

Please, I know you're in there
People are asking where you've been
They say "have courage," and I'm trying to
I'm right out here for you, just let me in
We only have each other
It's just you and me
What are we gonna do?

Do you want to build a snowman?

OUT OF THE WOODS

Taylor Swift

-
Looking at it now, it all seems so simple
We were lying on your couch, I remember
You took a Polaroid of us
Then discovered (then discovered)
The rest of the world was black and white
But we were in screaming color, And I remember thinking

Are we out of the woods yet?[x3]
Are we out of the woods?
Are we in the clear yet?[x3]
In the clear yet, good [x2]
Are we out of the woods?

Looking at it now, last December
We were built to fall apart, then fall back together
Your necklace hanging from my neck,
The night we couldn't quite forget
When we decided (We decided)
To move the furniture so we could dance, baby, like we stood a chance
Two paper airplanes flying, flying, flying, And I remember thinking

Are we out of the woods yet?[x3]
Are we out of the woods?
Are we in the clear yet?[x3]
In the clear yet, good [x2]
Are we out of the woods?

Remember when you hit the brakes too soon
Twenty stitches in a hospital room When you started crying, Baby, I did too,
But when the sun came up, I was looking at you
Remember when we couldn't take the heat
I walked out, I said, I'm setting you free
But the monsters turned out to be just trees
When the sun came up, You were looking at me

Are we out of the woods yet?[x3]
Are we out of the woods?
Are we in the clear yet?[x3]
In the clear yet, good [x2]
Are we out of the woods?

ALL STAR

Smash Mouth

-

Chorus:

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
And all that glitters is gold, Only shooting stars break the mold

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking the back streets?
You'll never know if you don't go, You'll never shine if you don't glow

CHORUS

It's a cool place and they say it gets colder, You're bundled up now,
wait till you get older, But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin,
The water's getting warm so you might as well swim
My world's on fire, how about yours? That's the way I like it and I never get bored

CHORUS

Somebody once asked could I spare some change for gas?
I need to get myself away from this place, I said yep what a concept
I could use a little fuel myself, And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking the back streets?
You'll never know if you don't go (go!)
You'll never shine if you don't glow

CHORUS

ACIDENTALLY IN LOVE

Counting Crows

-

So she said what's the problem baby
What's the problem I don't know
Well maybe I'm in love (love)
Think about it every time, I think about it
Can't stop thinking 'bout it

How much longer will it take to cure this
Just to cure it cause I can't ignore it if it's love (love)
Makes me want to turn around and face me but I don't know nothing 'bout love

Come on, come on, Turn a little faster
Come on, come on, The world will follow after
Come on, come on, 'Cause everybody's after love

So I said I'm a snowball running
Running down into the spring that's coming all this love
Melting under blue skies, Belting out sunlight, Shimmering love
Well baby I surrender , To the strawberry ice cream
Never ever end of all this love, Well I didn't mean to do it
But there's no escaping your love,

These lines of lightning
Mean we're never alone, Never alone, no, no
Come on, come on, Move a little closer
Come on, come on, I want to hear you whisper
Come on, come on, Settle down inside my love

Come on, come on, Jump a little higher
Come on, come on, If you feel a little lighter
Come on, come on, We were once upon a time in love
We're accidentally in love
Accidentally in love (x6)
I'm In love

Come on, come on, Spin a little tighter
Come on, come on, And the world's a little brighter
Come on, come on, Just get yourself inside her
I'm in Love.

WALKING ON SUNSHINE

Katrina & The Waves

I used to think maybe you loved me now baby I'm sure
And I just can't wait till the day when you knock on my door
Now every time I go for the mailbox, gotta hold myself down
'Cause I just can't wait 'til you write me you're coming around

I'm walking on sunshine (Wow!)
I'm walking on sunshine (Wow!)
I'm walking on sunshine (Wow!)
And don't it feel good

Hey, alright now
And don't it feel good, hey

I used to think maybe you loved me, now I know that it's true
And I don't want to spend my whole life, just waiting for you
Now I don't want you back for the weekend
Not back for a day, no no no
I said baby I just want you back
And I want you to stay (Oh yeah now!)

I'm walking on sunshine (Wow!)
I'm walking on sunshine (Wow!)
I'm walking on sunshine (Wow!)
And don't it feel good

Hey, alright now
And don't it feel good (Yeah!)
And don't it feel good

I feel the love, I feel the love, I feel the love that's really real
I feel the love, I feel the love, I feel the love that's really real

I'm on sunshine baby (Ow! Oh yeah!)
I'm on sunshine baby (Ow!)

LOVE YOURSELF

Justin Bieber

-

Chorus:

'Cause if you like the way you look that much
Oh baby you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself
For all the times that you rain on my parade
And all the clubs you get in using my name
You think you broke my heart, oh girl for goodness sake
You think I'm crying, on my own well I ain't

And I didn't wanna write a song 'cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on and I think you should be somethin'
I don't wanna hold back, maybe you should know that
My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job, didn't see what's going on
And now I know, I'm better sleeping on my own

CHORUS

But when you told me that you hated my friends
The only problem was with you and not them
And every time you told me my opinion was wrong
And tried to make me forget where I came from

And I didn't wanna write a song cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on and I think you should be somethin'
I don't wanna hold back, maybe you should know that
My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job, didn't see what's going on
And now I know, I'm better sleeping on my own

CHORUS

For all the times you made me feel small
I fell in love, now I feel nothin' at all
I never felt so low when I was vulnerable
Was I a fool to let you break down my walls?

CHORUS (x2)

BABY

Justin Bieber

-

Chorus:

And I was like baby, baby, baby oh
Like baby, baby, baby no
Like baby, baby, baby oh
I thought you'd always be mine (x2)

You know you love me, I know you care
Just shout whenever and I'll be there
You are my love, you are my heart
And we will never, ever, ever be apart
Are we an item? Girl quit playin'
We're just friends, what are you sayin'
Said there's another, look right in my eyes
My first love, broke my heart for the first time

CHORUS

Oh for you, I would have done whatever
And I just can't believe we ain't together
And I wanna play it cool, But I'm losin' you
I'll buy you anything, I'll buy you any ring
And I'm in pieces, baby fix me
And just shake me, 'til you wake me from this bad dream
I'm goin' down, down, down, down
And I can't just believe my first love won't be around

CHORUS

Luda, when I was thirteen, I had my first love
There was nobody that compared to my baby
And nobody came between us no one could ever come above
She had me goin' crazy, Oh, I was starstruck
She woke me up daily, Don't need no Starbucks
She made my heart pound, And skip a beat when I see her in the street and
At school on the playground, But I really wanna see her on the weekend
She know she got me dazin', 'Cause she was so amazin'
And now my heart is breakin', But I just keep on sayin'

CHORUS

ROLLING IN THE DEEP

Adele

-

There's a fire starting in my heart
Reaching a fever pitch, and it's bringing me out the dark
Finally, I can see you crystal clear
Go ahead and sell me out, and I'll lay your ship bare
See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch, and it's bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling . . .
We could have had it all, Rolling in the deep
You had my heart inside of your hand, And you played it to the beat

Baby, I have no story to be told, But I've heard one on you
Now I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there, As mine sure won't be shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling . . .
We could have had it all, Rolling in the deep
You had my heart inside of your hand, And you played it to the beat

Could have had it all, Rolling in the deep
You had my heart inside of your hand, But you played it with a beating

Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You'll pay me back in kind and reap just what you sow

Could have had it all, Rolling in the deep
You had my heart inside of your hand, But you played it with a beating

ROYALS

Lorde

-

Chorus:

But every song's like gold teeth, Grey Goose, trippin' in the bathroom

Bloodstains, ball gowns, trashin' the hotel room

We don't care, we're driving Cadillacs in our dreams

But everybody's like Cristal, Maybach, diamonds on your timepiece

Jet planes, islands, tigers on a gold leash

We don't care, we aren't caught up in your love affair

And we'll never be royals

It don't run in our blood

That kind of lux just ain't for us

We crave a different kind of buzz

Let me be your ruler, you can call me Queen B

And baby I'll rule (I'll rule I'll rule I'll rule)

Let me live that fantasy

I've never seen a diamond in the flesh

I cut my teeth on wedding rings in the movies

And I'm not proud of my address, in the torn up town

No post code envy

CHORUS

My friends and I we've cracked the code

We count our dollars on the train to the party

And everyone who knows us knows that we're fine with this

We didn't come from money

CHORUS

SOMEONE LIKE YOU

Adele

-
I heard that you're settled down,
That you found a girl and you're married now.
I heard that your dreams came true.
Guess she gave you things I didn't give to you.

Old friend, why are you so shy?
Ain't like you to hold back or hide from the light.

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it.
I had hoped you'd see my face and that you'd be reminded
That for me it isn't over.

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg, I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead." (x2)

You know how the time flies
Only yesterday was the time of our lives
We were born and raised, In a summer haze
Bound by the surprise of our glory days

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it.
I'd hoped you'd see my face and that you'd be reminded
That for me it isn't over.

Never mind, I'll find someone like you
I wish nothing but the best for you two
Don't forget me, I beg, I remember you said,
"Sometimes it lasts in love, but sometimes it hurts instead." (x2)

Nothing compares, No worries or cares
Regrets and mistakes, They are memories made.
Who would have known how bittersweet this would taste?

Never mind, I'll find someone like you
I wish nothing but the best for you
Don't forget me, I beg, I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead".

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg
I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead." (x2)

FIREWORK

Katy Perry

-
Do you ever feel like a plastic bag, Drifting thought the wind
Wanting to start again
Do you ever feel, feel so paper thin, Like a house of cards
One blow from caving in
Do you ever feel already buried deep, Six feet under scream
But no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you

You just gotta ignite the light, And let it shine
Just own the night, Like the Fourth of July
'Cause baby you're a firework, Come on show 'em what your worth
Make 'em go "Oh, oh, oh!", As you shoot across the sky-y-y
Baby you're a firework, Come on let your colors burst
Make 'em go "Oh, oh, oh!", You're gonna leave 'em fallin' down down down

You don't have to feel like a waste of space, You're original, cannot be replaced
If you only knew what the future holds, After a hurricane comes a rainbow
Maybe a reason why all the doors are closed
So you can open one that leads you to the perfect road
Like a lightning bolt, your heart will glow
And when it's time, you'll know

You just gotta ignite the light, And let it shine
Just own the night, Like the Fourth of July
'Cause baby you're a firework, Come on show 'em what your worth
Make 'em go "Oh, oh, oh!", As you shoot across the sky-y-y
Baby you're a firework, Come on let your colors burst
Make 'em go "Oh, oh, oh!", You're gonna leave 'em fallin' down down down

Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of you, you, you
And now it's time to let it through

'Cause baby you're a firework
Come on show 'em what your worth
Make 'em go "Oh, oh, oh!"
As you shoot across the sky-y-y

Baby you're a firework
Come on let your colors burst
Make 'em go "Oh, oh, oh!"
You're gonna leave 'em fallin' down down down
Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon

RATHER BE

Clean Bandit

-
We're a thousand miles from comfort, we have traveled land and sea
But as long as you are with me, There's no place I rather be
I would wait forever, Exulted in the scene
As long as I am with you, My heart continues to beat

With every step we take, Kyoto to The Bay
Strolling so casually We're different and the same,
Gave you another name, Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shame me
When I am with you, there's no place I rather be
No, no, no, no place I rather be (x3)

We staked out on a mission, To find our inner peace
Make it everlasting, So nothing's incomplete
It's easy being with you, Sacred simplicity
As long as we're together, There's no place I'd rather be

With every step we take, Kyoto to The Bay
Strolling so casually, We're different and the same,
Gave you another name, Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shame me
When I am with you, there's no place I rather be
No, no, no, no place I rather be (x3)

When I am with you, there's no place I rather be

If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shame me
When I am with you, there's no place I rather be
No, no, no, no place I rather be
No, no, no, no place I rather be
No, no, no, no place I rather be
When I am with you, there's no place I rather be

SHE WILL BE LOVED

Maroon 5

-

Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always belonged to someone else

I drove for miles and miles and wound up at your door
I've had you so many times but somehow I want more

I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved, And she will be loved

Tap on my window, knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore

It's not always rainbows and butterflies
It's compromise that moves us along, yeah
My heart is full and my door's always open
You come anytime you want, yeah.

I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved(x4)

I know where you hide alone in your car
Know all of the things that make you who you are
I know that goodbye means nothing at all
Comes back and begs me to catch her every time she falls

Tap on my window knock on my door
I want to make you feel beautiful

I don't mind spending every day
Out on your corner in the pouring rain, oh.
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved (x4)

PAYPHONE

Maroon 5

-
I'm at a payphone trying to call home, All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two

Yeah, I, I know it's hard to remember, The people we used to be
It's even harder to picture, That you're not here next to me
You say it's too late to make it, But is it too late to try
And in our time that you wasted, All of our bridges burned down

I've wasted my nights, You turned out the lights
Now I'm paralyzed, Still stuck in that time
When we called it love, But even the sun sets in paradise

I'm at a payphone trying to call home, All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two

If Happy Ever Afters did exist, I would still be holding you like this
All those fairy tales are full of it, One more stupid love song, I'll be sick
Now I'm at a payphone

Oh, you turned your back on tomorrow, 'Cause you forgot yesterday
I gave you my love to borrow, But you just gave it away
You can't expect me to be fine, I don't expect you to care
I know I've said it before, But all of our bridges burned down

I've wasted my nights, You turned out the lights
Now I'm paralyzed, Still stuck in that time
When we called it love, But even the sun sets in paradise

I'm at a payphone trying to call home, All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

If Happy Ever Afters did exist, I would still be holding you like this
All those fairy tales are full of it, One more stupid love song, I'll be sick
Now I'm at a payphone

I'm at a payphone trying to call home, All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two

If Happy Ever Afters did exist, I would still be holding you like this
All those fairy tales are full of it, One more stupid love song, I'll be sick
Now I'm at a payphone

LET IT BE

The Beatles

-

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be

And in my hour of darkness,
she is standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people living in the world agree
There will be an answer, let it be

For though they may be parted,
there is still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the night is cloudy
there is still a light that shines on me
Shine until tomorrow, let it be

I wake up to the sound of music,
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, yeah, let it be
There will be an answer, let it be
Let it be, let it be, let it be, yeah, let it be
Whisper words of wisdom, let it be

HERE COMES THE SUN

The Beetles

-

Here comes the sun (doo doo doo doo)
Here comes the sun, and I say
It's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here
Here comes the sun
Here comes the sun, and I say
It's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here
Here comes the sun
Here comes the sun, and I say
It's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun
Here comes the sun, and I say
It's all right

Here comes the sun
Here comes the sun, and I say
It's all right
It's all right

BLACKBIRD

The Beatles

-

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise.

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free.

Blackbird fly Blackbird fly
Into the light of the dark black night.

Blackbird fly Blackbird fly
Into the light of the dark black night.

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise.

WHAT MAKES YOU BEAUTIFUL

One Direction

-

Chorus:

Baby you light up my world like nobody else
The way that you flip your hair gets me overwhelmed
But when you smile at the ground it ain't hard to tell
You don't know, oh oh
You don't know you're beautiful
If only you saw what I can see
You'll understand why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know, oh oh
You don't know you're beautiful, oh oh
That's what makes you beautiful

You're insecure, Don't know what for
You're turning heads when you walk through the door
Don't need make-up, to cover up
Being the way that you are is enough

Everyone else in the room can see it, Everyone else but you,

CHORUS

So come on, you got it wrong,
To prove I'm right, I put it in a song
I don't know why, you're being shy
And turn away when I look into your eye eye eyes

Everyone else in the room can see it, Everyone else but you

CHORUS (x2)

PERFECT DAY

Hoku

-

Chorus:

On this perfect day
Nothing's standing in my way
On this perfect day
Where nothing can go wrong
It's the perfect day
Tomorrow's gonna come too soon
I could stay forever as i am
On this perfect day

Sun's up, it's a little after 12
Make breakfast for myself
Leave the work for someone else

People say, they say that it's just a phase
They tell me to act my age, well I am. . .

CHORUS

sun's down, a little after 10
I pick up all my friends in my mercedes benz
wake up! don't tell me it's just a dream
'cause when i've had enough you'll hear me say
now don't you try to rain on my, perfect day

CHORUS

I'm in the race but, i already won
and getting there can be half the fun
so don't so stop me till i'm good and done
don't you try to rain on my
perfect day, it's the perfect day

CHORUS

I WANT IT THAT WAY

The Backstreet Boys

-
Yeah-eh-heah

You are my fire, The one desire
Believe when I say, I want it that way

But we are two worlds apart
Can't reach to your heart
When you say, That I want it that way

Tell me why, Ain't nothin' but a heartache
Tell me why, Ain't nothin' but a mistake
Tell me why, I never want to hear you say
I want it that way

Am I your fire? Your one desire
Yes I know it's too late, But I want it that way

Tell me why, Ain't nothin' but a heartache
Tell me why, Ain't nothin' but a mistake
Tell me why, I never want to hear you say
I want it that way

Now I can see that we've fallen apart
From the way that it used to be Yeah
No matter the distance
I want you to know
That deep down inside of me

You are my fire, The one desire
You are (you are you are you are)

Don't want to hear you say
Ain't nothin' but a heartache
Ain't nothin' but a mistake
(Don't want to hear you say)
I never want to hear you say
I want it that way

Tell me why, Ain't nothin' but a heartache
Tell me why, Ain't nothin' but a mistake
Tell me why, I never want to hear you say
I want it that way

Tell me why, Ain't nothin' but a heartache
Ain't nothin' but a mistake
Tell me why, I never want to hear you say
I want it that way

'Cause I want it that way

HEY THERE DELILAH

Plain White T's

-
Hey there Delilah, What's it like in New York City?
I'm a thousand miles away, But girl, tonight you look so pretty
Yes you do, Times Square can't shine as bright as you
I swear it's true

Hey there Delilah, Don't you worry about the distance
I'm right there if you get lonely, Give this song another listen
Close your eyes, Listen to my voice, it's my disguise
I'm by your side

Oh it's what you do to me [x4]
What you do to me

Hey there Delilah, I know times are getting hard
But just believe me, girl, Someday I'll pay the bills with this guitar
We'll have it good, We'll have the life we knew we would
My word is good

Hey there Delilah, I've got so much left to say
If every simple song I wrote to you, Would take your breath away
I'd write it all, Even more in love with me you'd fall
We'd have it all

Oh it's what you do to me [x4]

A thousand miles seems pretty far
But they've got planes and trains and cars
I'd walk to you if I had no other way
Our friends would all make fun of us
And we'll just laugh along because we know
That none of them have felt this way
Delilah I can promise you
That by the time we get through
The world will never ever be the same
And you're to blame

Hey there Delilah
You be good and don't you miss me
Two more years and you'll be done with school
And I'll be making history like I do
You'll know it's all because of you
We can do whatever we want to
Hey there Delilah here's to you
This one's for you

Oh it's what you do to me [x4]
What you do to me

SKINNY LOVE

Bon Iver

-

Come on skinny love just last the year
Pour a little salt we were never here
My, my, my, my, my, my, my, my
Staring at the sink of blood and crushed veneer

I tell my love to wreck it all
Cut out all the ropes and let me fall
My, my, my, my, my, my, my, my
Right in the moment this order's tall

And I told you to be patient
And I told you to be fine
And I told you to be balanced
And I told you to be kind
And in the morning I'll be with you
But it will be a different kind
And I'll be holding all the tickets
And you'll be owning all the fines

Come on skinny love, what happened here?
Suckle on the hope in light brassieres
My, my, my, my, my, my, my, my
Sullen load is full, so slow on the split

And I told you to be patient
And I told you to be fine
And I told you to be balanced
And I told you to be kind
And now all your love is wasted
And then who the hell was I?
And I'm breaking at the britches
And at the end of all your lines

Who will love you?
Who will fight?
Who will fall far behind?
