COMMUNICABLE DISEASE

Camp Manito-wish YMCA takes the health and safety of its staff and participants seriously. As we head into the 2025 programming season, you can expect the following:

Vaccines:

It is recommended that all participants and staff are up to date on their vaccinations, but it is not required.

Return to Activity

Camp will follow the CDC guidelines, which are for 24 hours symptoms are better overall and no fever and no use of fever-reducing medications.

OPENING, CLOSING, & VISITOR DAYS (INCLUDING OUTPOST ADVANCED/EXPO PADDLE-IN)

Opening Days:

Campers may arrive between 1:00pm and 4:00pm on the opening day of each session. You will receive detailed information via email prior to Opening Day.

Visitor Days:

Camp Manito-wish does not offer formal Visitor Days throughout our summer camp sessions. Our experience has shown us that maintaining consistent programming and scheduling is best for our camp community. We carefully design each session to be able to accommodate all that the trail and in-camp experience can offer.

Closing Days:

To help strengthen our Manito-wish community and connect families with one another and our staff, we invite all families to join us for a social gathering on the night before each closing day. This event will take place at the Lion's Pavilion, located behind the Boulder Junction Community Center, from 3:00pm to 5:00pm. Beverages and appetizers will be provided. Please note that campers will not be in attendance at these events.

Pick-up is between 9:00am and 11:00am on the closing day of each session (July 11th for Boys Camp and August 10th for Girls Camp). You will receive detailed information via email prior to Opening Day. Please note: We **do not** allow dogs on property so please refrain from bringing them to Camp. If they need to travel with you, they will have to remain in your vehicle.

PICKING UP YOUR CAMPER:

Your camper's safety is important to us. We will be requiring a government-issued photo I.D. to verify your identity prior to picking your camper up.

Steps you need to know to ensure a smooth pick-up process:

Ensure the names of individuals authorized to pick up your camper are listed in your [CampDoc](#) profile. Upon arrival, head to the pavilion* with your photo I.D.

- ❑ Verify the camper you are picking up, collect your campers "Brown Bag", check the lost and found, and receive your camper check out card.
 - The "Brown Bag" mentioned above are items that your camper brought to Camp or received at Camp that are not allowed in the cabins – food, drinks, electronics, etc. – that were placed in a brown bag with their name on it.
- ❑ Head to your camper's cabin.
- ❑ Enjoy exploring camp, hearing about all of the wonderful camp experiences and seeing their favorite places!

Girls Camper Families: If you plan to pick up your camper, keep in mind that Boulder Junction's Musky Jamboree is the weekend of the closing of girls' camp. Book your hotel rooms early. Also, note that Hwy M in downtown Boulder Junction will be closed on pickup day. Travel down Highway H to Camp's main entrance to avoid the closure.

*If picking your camper up from the bus, please note, campers will be released from the bus after their guardian's IDs are verified. Thank you for your patience as we safeguard our pick-up process!

COMMUNITY STANDARDS

Camper Code of Conduct:

Within the first hours of the Manito-wish Experience, campers and staff will gather in each cabin to create their Full Value Contract—a set of community expectations to guide their time at Camp. This contract is built around the four core values of Honesty, Caring, Respect, and Responsibility, which form the foundation of our Manito-wish community. Together, campers and staff will define how each value will be demonstrated and upheld within their cabin and the broader camp community.

Our staff follow these procedures:

1. Planning and Prevention
 - Staff establish clear boundaries and work with campers to establish behavior expectations through the group's Full Value Contract.
 - Campers agree to boundaries and are aware of positive behavior expectations.
 - Staff continually communicate and encourage camper behavior within boundaries. The focus will be on the positive behavior of the group.
2. Understanding and Refocus
 - If issues arise, the counselors look at the camper's behavior first or the behaviors of those involved.
 - Were the boundaries clear? How did the actions relate to being honest, caring, respectful or responsible? Did the actions escalate or encourage a negative response?
 - Campers will look at their own behavior.
 - Can the camper(s) identify boundaries in their own words? Can they understand how others were affected by their actions?
3. Action and Consequence
 - If there is an issue that cannot be resolved by the camper or the staff, appropriate action is taken. The safety of all campers and staff is central to our mission and philosophy. Camp Manito-wish will work within a restorative framework when resolving conflicts. Actions may include:

- Verbal warning and positive redirection.
- Parents will be notified by the camp director, and the camper will be given a final warning.
- If the issue is so serious that it cannot be resolved to ensure the safety of the camper and staff, the camper will be removed from camp. A parent/guardian is responsible for picking the camper up. There will be no refund for a camper who leaves camp due to a behavioral issue.

Behavior that may result in dismissal:

Camp Manito-wish strives to be a place where all feel welcome and safe, both physically and emotionally. When a camper chooses to abuse or ostracize others, ridicule another camper or use inappropriate language, they will be warned one time, and a camp director will contact the camper's parent/guardian. If these behaviors continue, the camper may be removed from Camp.

We reserve the right to immediately dismiss campers for behaviors that we find to endanger themselves or others at Camp, either physically or emotionally. Some examples of these may include:

- Malicious acts, bullying, teasing, emotional taunting, hate speech, or physical or verbal threats, including threats of a weapon.
- Behavior that is likely to, or does, result in harm —physical, mental, or emotional — to themselves or others;
- Behavior that is likely to, or does, result in damage to one another's personal belongings and/or surrounding space;
- Physically escalated interaction with campers and/or staff;
- Items not allowed at Camp that may result in dismissal: tobacco products (such as vape pens), alcohol, illegal drugs, pets, certain personal sports equipment (including archery), guns, or other types of weapons.

Bullying:

Camp leadership takes allegations of bullying seriously and trains our staff to prevent bullying from occurring. Bullying of any type is not acceptable and will result in disciplinary action and possible dismissal from Camp. Each camper is expected to treat all other campers with respect and to help each other achieve the best possible Camp experience. Camp leadership also trains staff to promote communication with staff and their campers so that both will be comfortable in alerting us to any problems during their experience. We ask that you encourage your camper to be a positive influence on other campers and advocate for your camper to talk with a staff member if there are ever any issues. Campers can contribute to their own safety if they know what is acceptable and what to expect from staff, volunteers, and other campers to be empowered to let employees know.

Camper's Voice:

At Camp we encourage all campers and staff to use their voice! When they have an idea, new perspective and when they see something or experience something that causes concern. We encourage parents and guardians to do the same prior to the camp session. Counselors and Sectionals are great adults to share concerns with; however, all staff are trained to support campers when they share concerns. Additionally, campers can use the Buddy Box (located outside of the Paddle Shop) to write down and share a concern. The Buddy Box is only accessed by the Camp Director and the Director of Operations. Confidentiality will be maintained and when names are shared (this is optional) the Camp Director or Operations Director may better be able to address the concern more accurately.

Child Abuse Prevention Practices:

Whether you attend Summer Camp, an Outpost Trip, a school trip, Family Camp, or other programming, we work hard to ensure your children have a safe and fun-filled camp experience. Our staff are selected to work at camp following a rigorous screening process that includes interviews, reference checks, background checks, and motor vehicle reports. Our team is trained in comprehensive practices around child safety and held accountable for modeling the values of honesty, caring, respect and responsibility to help your children stay safe in our care. The trust that you, as parents and guardians, place in us to care for your children is important to us and we do not take that trust for granted.

You can help your Camper contribute to their own safety by helping them to understand a few basic expectations prior to coming to Camp. Some examples include:

- Campers will be asked to stay in groups of at least 3 while at Camp – never 1 on 1 with another participant or staff
- Campers should expect staff to be in cabins while campers are present
- Staff are expected to provide adequate supervision throughout the camp experience while allowing campers privacy (bathrooms, showers, changing clothes).
- If at any time your camper feels uncomfortable, they should reach out to the Program Director, Camp Director, or any staff member.

We urge you to talk to your children regularly about their experiences at the Camp. Ask them about their counselors, trip leaders, and other staff. If, as a result, there is ever a concern regarding the safety and protection of your child, please notify us immediately. If you would like to report a concern anonymously, you can use the [Camp Manito-wish YMCA reporting form](#). Otherwise, you can reach out to our [Director of Operations](#), Camp Director or Wilderness Risk Director.

Staff Code of Conduct:

Camp Manito-wish YMCA believes that a secure and positive environment provides the best experience for growth for all our campers. This begins with selection and training of staff. Training includes youth protection, child abuse prevention, emergency procedures, and provides ways for staff to set appropriate boundaries with Campers. We expect staff to model the values of caring, honesty, respect and responsibility. We expect them to abide by Camp policies, which includes no use of tobacco, alcohol and drugs, and committed to providing a safe, fun and enriching Manito-wish experience. Every staff member is aware of these expectations upon hire.

Evacuations:

We know how invaluable a Manito-wish trail experience is and having to leave a trip part way through can be a difficult situation for both campers and parents/guardians to navigate. There are several reasons an evacuation could occur, but most fall into two categories – medical and behavioral. If a camper needs to leave their Camp session due to the circumstances surrounding their trip evacuation, parents/guardians will be contacted as soon as possible to discuss the process.

Gender & Inclusion at Camp

Consistent with our mission, vision, and commitment, Camp Manito-wish YMCA welcomes all participants and staff. Camp is committed to ensuring access, inclusion, engagement, and affirmation for all who participate. We strive to ensure that everyone, regardless of age, cultural background, ethnicity, faith, gender, gender expression, gender identity, ideology, income, national origin, race, or sexual orientation, feels welcomed, affirmed, supported, and has the opportunity to reach their full potential with dignity and respect.

To further this pursuit, Camp Manito-wish YMCA hires staff of all gender identities and trains all our staff in gender-inclusive practices.

Our programs will continue to express their single-gender nature, language, and defined characteristics. Members of our community who are non-binary, LGBTQ+, transgender, in transition or questioning their gender identity or expression, will be included, respected, and supported in such programs as all members of our community.

Which Session is Right for me?

If you have a question about which session is best suited for your camper, please give Camp a call so we can discuss it further. Camp Manito-wish YMCA works with families and staff, regardless of a person's gender identity or appearance (whether that be that their gender identity or appearance is different from their physiology or assigned sex at birth) to determine participation in the programs that are best suited for that individual. Since the wellbeing of our campers is our number one priority, we will work with the camper and custodial parent(s)/ legal guardian(s) to develop a plan that takes into consideration the camper's mental, emotional, and physical safety. Program participation may be periodically re-evaluated as the individual's needs change or evolve.

Names and Pronouns

We believe that campers have the right to be addressed by their preferred names and pronouns. Staff and volunteers will respect the confidentiality of a camper's gender identity, biological sex, and sexual orientation and campers may choose to share information about themselves at their own discretion.

If a camper expresses that their gender, pronouns, or name is different from what was listed on their registration forms, we will honor, support, and validate the camper. If an individual chooses to be their authentic self at Camp Manito-wish, this means they feel safe and brave enough to share a part of themselves that others may not see, understand or accept. Similarly, in the event that your child comes out as LGBTQ+ while at camp, we will inform you only if your child gives us their express consent.

While camp encourages campers to share their camp stories with their families upon their return home, we respect a camper's right to determine what they share or don't share with their parents/guardians provided it doesn't interfere with the health or welfare of the camper or the camp community. We will support all campers and will not coerce, force, or compel a camper to identify in any way.

HEALTHCARE

Physical Exam Policy:

- **ALL Summer Camp and Outpost participants must have a physical exam within 18 months of their session start date**
- If your child has a history of **Anaphylaxis, Asthma, History of Seizures** or has been diagnosed with **Diabetes**, or other conditions that may require prior planning and accommodations, please contact Camp upon registration to discuss camper's history and treatment.
- If your Physician recommends/prescribes your child to use a **Peak Flow Meter**, please include it with the inhaler for proper monitoring while at Camp.

Medical Forms:

- ALL participants and staff are required to have their current, completed [CampDoc](#) profile and Physical Examination form on file.

Immunizations:

Camp Manito-wish YMCA requires all participants and staff to comply with the [State of Wisconsin's](#) immunization requirements for school entry or to complete an immunization waiver based on religious or philosophical exemption prior to their camp experience.

Medical Care:

Please provide honest, thorough, and complete information regarding your child's medical history so that we can be best prepared to care for them.

Should your child need any additional medical care:

1. Our Health Center is staffed by certified medical staff.
2. A clinic and hospital are located approximately 25 minutes from Camp.
3. Parents will be notified when their camper receives medical treatment through a hospital or clinic, stays overnight in the Health Center, or is evacuated from trail for medical reasons.

Over-the-Counter Medications:

1. **Only send** over the counter (OTC) medications with your participant if they take them regularly (such as daily). OTC meds will only be administered per package instructions and the medication must be FDA approved.
2. Any medication that **does not meet these requirements** (including herbal supplements, different doses or frequency, etc.) require a physician's order. An order must include the name of the medication, dose, route, frequency and indication for use.
3. **We have** over-the-counter medications which will be provided to campers and staff **as needed** under our procedures for health care provided by our consulting physician.

Prescription Medications:

Only those prescription medications prescribed by a physician will be administered.

1. **All medications must be in the original pharmacy container.**
2. **The correct name, date, and instructions must be on the bottle.**
3. **We will NOT administer medication that is improperly labeled or not prescribed by a physician.**

****NOTE: Any unused prescriptions will be returned to the camper on the morning of closing day or secured by our staff on the bus.***

Prescribed allergy such as hay fever injections:

1. Must have specific written instructions from the camper's own physician.
2. Because a doctor must give all injections, campers will be taken to the doctor for such treatment.
3. Parents will be responsible for the expense of these injections.

A telephone call will be made to the parent/guardian and/or physician concerning all medication questions.

INSURANCE

Health and accident insurance coverage for each camper is the responsibility of the parents/guardians. We highly recommend trip insurance. Common trip insurance packages are available through [CampDoc](#). You will be billed by the medical facility or Camp for any medical/ prescription charges incurred on your camper's behalf for immediate reimbursement to Camp Manito-wish YMCA. Any questions about your insurance policy or your coverage should be directed to the insurance provider. Any documentation should be submitted directly to the insurance provider as requested. Camp will work with you to provide support as needed following your request.

COMMUNICATION – PARENTS TO CAMPERS:

Letters: Please address your letters as follows:

Camper Name, Camper Cabin Name

Camp Manito-wish YMCA

PO Box 246 (for UPS and FedEx packages use 5650 Camp Manito-wish Lane)

Boulder Junction, WI 54512

Camp-O-Grams (emails):

- ☐ Visit manito-wish.org and click on Camp-O-Gram located midway down the homepage or in the drop-down menu under Preparing for Camp. Our email program is one-way from the sender to camper and will be available June 21, 2025.
- ☐ We will print emails daily and deliver them with cabin mail (Monday-Saturday). Camp-O-Grams sent after 10:00am will be delivered the next day.
 - We cannot guarantee delivery of your Camp-O-Grams on closing day.
- ☐ This service is offered free of charge. Donations to help offset the cost of printing and distributing the Camp-O-Grams are greatly appreciated and can be noted on your invoice payment.
- ☐ We print and distribute hundreds of Camp-o-grams every day. Please treat these as you would any other type of letter and combine all communication into one email for your camper.
- ☐ For siblings at camp, be sure to send separate emails.

Helpful Communication Tips:

- ☐ Remember that one of the reasons your camper is at Camp Manito-wish YMCA is to build independence and confidence.
- ☐ While on trail, mail will be held and then delivered upon returning from their trip.
- ☐ Letters:
 - Be positive and encouraging.
 - Ask a specific question about their experience - maybe they will write you back!
 - What lake did you go to on trail?
 - What has been your favorite food so far?

- Tell me about your cabin mates and counselor.
- Help alleviate homesickness by focusing on what they are doing here at camp, not on dwelling on how much you miss them. It is much more important for them to know that you are proud of them for going to camp!
- Include a picture(s)
- Share something you learned while your camper was at Camp
- Make a small puzzle or word search for them to complete
- Campers will not have access to phone or computers while at Camp, so encourage them to write letters home so you can hear all about their experiences.

Care packages:

- **Do not send food or candy in care packages. If there is food or candy sent to your camper, we will keep it safe until the end of the session.** We have campers and staff that have allergies to certain ingredients and food can attract unwanted insects and animals to the cabin.
- Care packages are a great opportunity to send activities and games the cabin can do together (Card games, games, toys, books, stickers and puzzles are great care package ideas.)

COMMUNICATION – CAMPERS TO PARENTS:

Letters:

- Include stationery, addressed envelopes and stamps to help ensure your camper writes home.
- Stationery and stamps are available for purchase at the [Trading Post](#).
- Campers will not be able to call home or take your calls. If we have a concern about your child, we will contact you.

****Electronics including cell phones, music players, smart devices, or tablets are not permitted. Reading tablets are OK as long as reading is its only capability. If you have questions, please call Camp.***

LUGGAGE

MAKE SURE ALL OF YOUR CAMPER'S BELONGINGS ARE LABELED WITH FULL FIRST AND LAST NAMES.

- ☐ The more clear the labeling on the outside of luggage and items inside their luggage the better
- ☐ Iron-on labels or name stamps are available if you choose. [Refer to order form.](#)
- ☐ Don't use initials as there may be other campers with the same initials as your camper.
- ☐ A [What To Bring](#) list is available on the Registered Campers pages of manito-wish.org. Please follow it closely. Especially well labeled mesh bags for laundry purposes.

Luggage to Camp should:

- ☐ Be a large duffel bag or other type of soft-sided baggage. **No trunks please.**
- ☐ Be clearly identifiable with a luggage tag or full name written on the exterior.

- Please consider removing all tags from newly purchased items prior to arrival at Camp.
-

LOST & FOUND

- As you pack, create a list for your camper to use as they repack their items as they prepare to go home.
- Clearly labeling all belongings will cut down on the volume of lost & found items.
- We will work with campers to help them keep track of their belongings. They will be instructed about where they can check for lost items throughout the session.
- Any items not claimed by the end of the session will be located in the pavilion on closing day. Campers will be asked to check for any personal items before departing Camp.
- If you discover something is missing when you return home, please call us immediately.
- We will ship the found items to you. Families will be responsible for shipping charges.

***Camp Manito-wish YMCA is not responsible
for LOST, STOLEN, or DAMAGED equipment or clothing.***

CAMPER PHOTOS - SMUGMUG

Accessible through our website, [SmugMug](#) is a secure on-line photo gallery where opening day pictures, cabin pictures and program activities from all programs are posted. You may purchase copies of photos directly from SmugMug or download them for your personal use. The password needed to enter the album of your camper's session will be emailed prior to the start date. Photos will be available after the start of the season.

Camp posts pictures on SmugMug approximately every 2-3 days. Campers are constantly in motion, and are off camp property during their wilderness trips, therefore, beyond the cabin pictures, **we cannot guarantee you will see your child through this venue.** We know most families are accustomed to constant contact via social media, and this will be a transition for both campers and family. We believe that a sense of independence for both family and camper while away at camp is an important tool for growth. We also believe in the value of verbally relaying stories from campers to parents as a part of sharing in their camp experience.

CAMPER CABIN/GROUP PLACEMENTS

Campers are assigned to cabins and trip groups based on session registration, age/grade, gender, and trip discipline (canoe, kayak or backpacking). Other factors that influence cabin assignments are cabin mate requests, staffing capacity, accommodation of medical needs, etc. The cabin and trip group assignment process undergoes several reviews prior to your camper's arrival to best accommodate specific requests and the whole camp community. See details regarding requests below.

Counselors are hired for specific sessions based on gender identity. All girls camp cabin counselors will have female counselors, and all boys camp cabin counselors will have male counselors. While on trail, a tripping co-counselor (2nd adult with a summer camp trip group) may be assigned to a trip of the opposite gender.

Camper Cabin/Group Requests:

Please submit Camper Requests on the Camper Information section in CampDoc only.

Should you want to make a camper request to be in the same cabin as a friend:

1. Each camper can only make **ONE** other camper request - if you put down more than one name, we will honor the first name on the line.
2. The request must come from **BOTH** families.
3. Both campers must be the same age and/or grade.
4. Both campers must be attending the same session.
5. Both requests need to be completed in the camper's CampDoc profile.
6. Camper requests must be made no later than June 1st (boys) or July 1st (girls).
7. If we are unable to accommodate your request, Camp will notify you prior to your session.

Should you make a request to **NOT** be in the same cabin as another camper:

1. The "No" request must note the full name of the camper.
2. If the "No" request refers to a school or town - please be as specific as possible.

We cannot guarantee all requests (though we do try our best!)

Outpost Tripmate Requests: Small group wilderness travel is essential to the quality of your experience. While we do our best to honor requests for Outpost participants wanting to be in the same trip group, **no request is guaranteed.**

SPENDING MONEY

Summer Camp:

- ☐ Cash is not necessary at Camp as all purchases are charged against this account. No money should be kept in the cabin. Camp is not responsible for money left with the camper.
- ☐ We recommend approximately \$75-\$150 in your child's account for a 3-week session.
- ☐ We no longer take prepaid deposits for camper bank accounts, please use the camper invoice, or call us at 715-385-2312, to specify your campers Trading Post limit; families will be invoiced at the end of your camper's session.
- ☐ Items available for purchase through the [camp store](#) include items such as: canoe paddles, stamps, stationery, t-shirts, sweatshirts, souvenirs, and personal hygiene products.

Outpost:

The average Outpost participant brings \$100 in cash or debit/credit card. Due to the short amount of time that Outpost participants are in camp, **money is NOT deposited in the Camp Bank.** See your trip specific [What To Bring](#) posted on manito-wish.org to determine the amount of cash needed.

INVOICE CONTRIBUTIONS (optional)

Campership: Camp Manito-wish YMCA depends on financial contributions from hundreds of individuals to keep our program strong. If you wish, please indicate your tax-deductible contribution on your camper invoice.

The YMCA is active in over 130 countries around the world, making it one of the largest human service organizations on the planet. If you would like to participate in this support, please indicate your tax-deductible contribution on your camper invoice. Campers, and staff have the opportunity to contribute through offerings during Sunday chapel services as well.
